Eight glorious days

Two beautiful islands

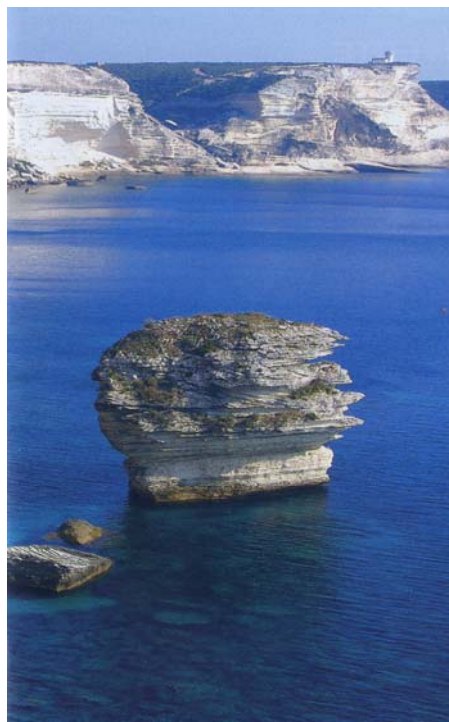

One fantastic holiday

No previous sailing experience is required!

Sardinia & Corsica Cruise

- › Join us for warm water sailing and Mediterranean weather on our 8 day sailing break exploring these beautiful islands.
- › The coast lines of Sardinia and Corsica are blessed with a multitude of quiet anchorages and off lying islands so that variety can be maximised at a relaxing pace.
- › Your cruise itinerary is flexible. Starting from Cannigione on the north east tip of Sardinia destinations are likely to include the marine reserve at Iles La Vezzi, La Maddalena Islands and Bonifacio on the south west tip of Corsica.
- › Islands and anchorages are closely situated. Short passage times will ensure we visit many of the islands and anchorages and still have plenty of time to relax.

Suggested Itinerary

During the eight day activity there will be plenty of scope for variety. Whilst the suggested itinerary will maximise enjoyment of the cruising area in the time available, the destinations will be dependent on local weather conditions and moorings availability.

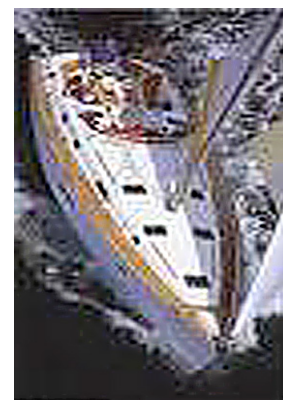

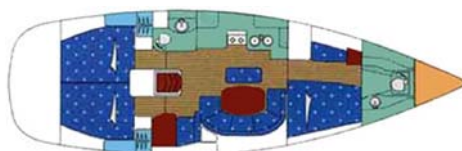

Cannigione – La Maddalena – Spargi – Bonifacio – La Vezzi – Cavallo – Isola Piana – Budelli – Santa Maria Razolli – Caprera - Cannigione

There will be no night sailing and most passages will be quite short. The total distance for the cruise is estimated to be 80 nautical miles.

The Yachts

We use luxury yachts such as the Beneteau Oceanis 411 (shown). These are fully equipped including linen, towels, pillows, showers, fridges, awning, CD player, snorkelling equipment, dinghy and outboard – everything you need for comfort and relaxation.

Skipper

The skipper for the activity will be from the UK and will be qualified at RYA Yachtmaster Instructor or Cruising Instructor level, so if you want to learn a little along the way then all you have to do is ask!

Sailing Conditions

During the summer, 8-12 knots blow from the northwest with local patterns around the islands.
